

Wantagh Chamber Member Spotlight

FRANK & FRAN'S SHOWCASE JEWELERS

Frank & Fran's Showcase Jewelers has been a staple of the Wantagh community for over 60 years. In fact, they were one of the first members of the Wantagh Chamber of Commerce. The beloved local business has a rich history, which many of their loyal customers may not even know.

Founder Frank Trivigno Sr., served in World War II and later attended The Bulova School of Watchmaking. He then realized his dream of incorporating his many artistic talents into designing jewelry and in 1962 he opened Frank and Fran's Showcase Jewelers. At the time,

Wantagh was a small suburban hamlet of farms, little houses, and quaint stores and shops. It was also the town he and his wife Fran lived in and raised their family of three children. Frank was an active part of the community; of course a part of the Chamber, but also involved in the Knights of Columbus that was affiliated with St. Frances De Chantal.

The business has withstood many obstacles over the years, but they're proud to have served generations of customers thus far. They continue to be owned and operated by the Trivigno family, more specifically, Frank & Fran's

children, Frank Jr. and Deborah, are honored to carry on the family tradition.

They are proud to offer their widest selection of fine jewelry yet, from major brands to unique estate jewelry. Plus, they offer an array of services for all your jewelry needs, including jewelry repairs, watch repairs, appraisals, engraving, ear piercing, custom jewelry design, complimentary gift wrapping and so much more, all in a relaxed friendly environment. They have a GIA Graduate Gemologist and Expert Jewelers on site, as well as a dedicated sales and designing team.
